### **Re: Electrification of Gqayinyanga Area**

The media is invited to attend an event where His Worship the Mayor of Umzombe Municipality, Cllr ST Gumede will be doing a sod turning for the electrification of the Gqayinyanga area. This electrification will see 256 family lives being improved and moved forward.

The event will take place in Ward 16 Gqayinyanga, Nkehlamandla area. The event is planned as follows:

Date : 04 February 2014  
VENUE: MALUKHAKHE PRIMARY SCHOOL (WARD-16)  
Time : 10:00am

The electrification of this area goes a long way in responding to the call by President Jacob Zuma of advancing rural development.

Such development speak directly to making a better life for women and children as they are the ones who bear the brunt of having to fetch wood either late at night or early in the morning.
